

SPONSORSHIP OPPORTUNITIES

Dear Member,

American Bucking Bull, Inc. is excited to announce that USBBA was able to pay over \$ 40,000.00 to junior participants in the 2011 season.

United States Bucking Bull Association is a non-profit association which relies on donations in order to grow youth programming. At USBBA, we value these programs as a way to shape the future of our industry. These contributions go straight to production of junior futurity events and end up in junior breeders' hands. As a junior member of ABBI, youth participate in breeding bulls and competing in events. Anyone under 18 years of age can become a junior breeder, and ages 9-18 can flank their own bulls. USBBA also supports a scholarship fund, creativity contests, and provides incentive programs for its members.

Please help our junior programs by donating to the USBBA. Your donation will be publicly acknowledged at our junior events through promotional announcements, on www.abbinow.com, and in every junior newsletter.

Thank you for joining us in our efforts to **invest in the future of the Bucking Bull Industry today.**
